Base Ball Bugs

How about it? Are we going to have a team this year? Last year before this time the team was organized and things were running along in league style. We had some of the best ball that we have seen in the county for a long time, and there is no doubt that the Toledo team made a reputation for themselves, for already many teams are writing for games with our boys. Albany wants a game this month, two or three Portland teams have written and offered to come for a \$40 guarantee, and several other Valley towns are after games with us. We have good material and there is no reason why we can not get in line for a good season. Let everyone boost and talk the thing up.

Next Sunday the Married Men will contend for home and fireside against the more fortunate Single Men. The game will be called at 2 o'clock, and an admission of fifteen cents will be charged. Every body come and see some of the new men work out.

A big dance will be given on the 16th and half of the proceeds go to the ball boys.

The musical concert given at the Dime picture theater last Saturday evening was well attended and brought in about \$40 which will be applied on the local M. E. pastor's salary. The program consisted of songs by the church choir, solos, band and orchestra music and readings and a dialogue interspersed with motion pictures. Miss Blanche Jeffreys is entitled to much credit in promoting the entertainment.

Fifteen of Toledo's energetic young folks last Fall organized a brass band, and by the untiring efforts of themselves and of their instructor, School Supervisor R. R. Miller, have mastered their instruments to such an extent that they now are able to supply very good music. Their part in the program at the Dime picture theater last Saturday was a great help to the entertainment and fully demonstrated to our people that Toledo now has a band. The following is the personnel of the band.

Charles Gildersleeve, solo B flat cornet; Merna Miller, solo B flat cornet; Prof. A. H. Weber, 1st cornet; Maude Miller, 2d cornet; Fred McCaulou, 2d cornet; Fred Salvage, B flat clarinet; Willard Carson, solo alto; Russel Wishart, 1st alto; Francis Altree, 2d alto; Ivan Merrell, trombone; Alvin Schlecht, 2d trombone; Rosa Schlecht, baritone; Newton Center, tuba; Kenneth Hayden, tenor drum; Lans Searth, bass drum.

Newspaper men, as a rule have but two things to sell, space and subscription, and it would be just as consistent to ask your grocer for a dozen oranges, "just to fill up," as to ask the editor for a dozen lines in his newspaper, just to boost your business, with the idea you are doing a kindness in helping to fill up space. Try to get a free dinner at the hotel "just to fill up."

BILIOUSNESS AND CONSTIPATION.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala These tablets are for sale by all dealers
